Teams will be responsible for scheduling all home games with the referee society. Failure to schedule a referee for a home match may result in forfeiture of the match. The MAC will only schedule play-off games. Home team are responsible for all other matches

Points System for Divisions I, II, and III

During the League season, teams will be ranked within their Divisions based on the method used in the Super 12/14/15 competition. The standings will follow the USA Rugby competitions system's calculations.

Given that we follow the Super 12/14/15 ranking system, the tie-break system will also be employed. In the event of two or more teams being equal on competition points the following steps will be used until the tie is broken:

- Most wins from all matches;
- Highest aggregate points difference from all matches;
- Most tries from all matches;
- Highest aggregate difference of total tries for versus tries scored against from all matches;
- Coin toss.

November 4th will be used to make up any missed games due to weather or field closures. The MAC Men's 15 guidelines can be found at <http://macrugby.org/mens-xvs/> Please familiarize with these guidelines prior to the start of the season.
